

PRE-TRIP HEALTH SCREENING

Thank you for your partnership in making ECOS Institute safe and healthy this school year. In an effort to reduce exposure and minimize illness from Covid-19 at science camp, we ask that you provide answers to the following questions, **choose low-risk-exposure activities, and monitor the health of your child beginning 10 days prior to the start of their scheduled field trip.**

Remember to bring this completed **Pre-Trip Health Screening Form, along with the negative results of a PCR Covid-19 test conducted within 72 hours of departure to ECOS,** to your school's trip coordinator on the morning of departure to ECOS.

1. Has your child traveled outside the US within 10 days of the start of their session? **YES NO**
